Book Club & Mathtastic- An opportunity for parents and children to learn and play together while focusing on early literacy and math skills, such as exposure to books, rhymes, lyrics, sounds, writing their name, counting, sorting, and identifying shapes. This is a hour and half long class and registration is required. Space is limited.

Early Childhood Storytime @ the Public Library - An opportunity for parents and toddlers to engage in an effective play environment and understand why it is important for child development. This is an hour long class and NO registration is required. This class will be at the Pinedale Public Library.

Getting Ready for Kinder with Ms. Alisha - This program is specifically geared for those children that are going to attend kindergarten the following year. It will be a two hour program focusing on literacy and math in a classroom setting at the elementary school. Space is limited and registration is mandatory.

Kindergarten Readiness Class - The Kindergarten Readiness Class is thoughtfully designed to equip children with the essential skills needed for a successful transition to kindergarten. This program focuses on building early literacy and math skills, fostering social and emotional development, and providing exposure to the STEAM (Science, Technology, Engineering, Art, and Math) environment. Additionally, students will have the opportunity to familiarize themselves with the elementary school setting. The class is open to preschool students who do not attend preschool on Fridays, as well as to children who are not currently enrolled in a preschool program. All students, ages 4-5 years of age, are encouraged to enroll. This class is a parent drop-off. Space is limited and registration is mandatory.
